

# I'VE TAKEN THE ANTI-CASUALISATION PLEDGE!

This year, I pledge to speak up for precarious workers in my branch and build the campaign for real change:

I will work to ensure that in the next 12 months my branch:

(Please tick as many as possible!)

Tables a claim for negotiations over greater job security for precarious staff	
Holds at least one recruitment event aimed at precariously employed staff	
Recruits at least one new rep for casualised staff	
Sets up an anti-casualisation group to support the work of our branch committee	
Sends a delegate to the Annual Meeting for staff on Casual Contracts
