

## About the NDC

The UCU's National USS Dispute Committee (NDC) was established and given its remit by **motion H13** at the May 2018 Higher Education Sector Conference (HESC) and **motion 11** at the June 2018 special HESC.

Its role is to 'give a representative steer' to the USS dispute for the current valuation round, including on any suspension of the dispute or re-ballot.

In particular the NDC is asked to approve any proposed ballot text on a future employer offer concerning USS before it is put to members.

UCU-appointed members of JEP and JNC are asked to report to the NDC.

It has 12 voting members, elected from regions and with representation from the BAME, women's, anti-casualisation and disabled standing committees. It will meet at regular intervals until the dispute is officially terminated.

NDC minutes and papers will be available online on this page.

We welcome comments and suggestions from members through our shared mailbox: [ndc@ucu.org.uk](mailto:ndc@ucu.org.uk).
