STOURBRIDGE

COLLEGE

Birmingham Metropolitan College plan to close Stourbridge College by 1 August 2019.

The town can't afford to lose its college - once it's gone, it's gone.

**PUBLIC MEETING: STOURBRIDGE TOWN HALL AT 7PM
ON WEDNESDAY 22 MAY. ALL WELCOME**

We're calling on the community to come together and join our campaign to save Stourbridge College.

Save Stourbridge College

- The decision to close the college was made without talking to students, staff or the community.
- For over 170 years there's been a college in Stourbridge and now government appointed officials and management are trying to take your college away from this town, from you!
- The college offers a wide range of courses with excellent facilities and a great local reputation for teaching and learning.
- Many students at Stourbridge face having to travel to Halesowen or Dudley in order to access their learning. No one knows whether all existing courses will continue.
- Birmingham Metropolitan College is sacrificing Stourbridge as a result of poor management and paying "fat cat" salaries to principals at a time of chronic underfunding of further education provision.

Staff trade unions are campaigning to save this college – please get involved
