MRC Pay and Grading Review

MRC pay and grading review

Over the past twelve months the National Trade Union Side and MRC management have been working constructively together to develop a proposal for a new pay and grading structure for the MRC.

The NTUS will be visiting regions/institutes/units to meet all staff and introduce the proposals and answer any questions. A ballot of union members will follow these meetings.

Dates of the meetings are being arranged and will be communicated in due course.

For more information:

Contact Louise Craig (louise.craig@headoffice.mrc.ac.uk - TU Project Officer) or a member of the National Trade Union Side whos contact details can all be found on the Trade Union Portal Page
