# GET INVOLVED

**We are living in deeply dangerous times.  
Donald Trump elected President of the United States.**

**Division and uncertainty over Brexit.**

**The far right and racism are on the rise across Europe.**

The world appears to be at a crossroads. One way leads to scapegoating, fear and division, the other towards, hope, compassion and fairness.

Donald Trump and Nigel Farage are pulling us in the wrong direction.

But it does not need to be like this. Another world is possible; one where people look out for each other and care about their neighbours.

If you share our vision of a better future, then please join us today. Don't let Donald Trump dictate our future.

Instead, let's put compassion back at the heart of our politics

As the late Jo Cox MP said:

'We have more in common than that which divides us.'

**You can help us by signing up to get involved**
