University and College Union

# UCU – the union for all members of the teaching team

We want all members of the teaching team to have:

- clear job descriptions and roles
- access to the teaching pay scales
- access to CPD and professional recognition
- maximum limits on contact hours and case loadings appropriate to teaching roles
- annual leave appropriate to a teaching role
- limits on unsociable hours
- limits and agreements on travel and homeworking.

UCU is the largest union in FE, we understand FE and we know how to win for staff in FE. The more members UCU has throughout the college teaching team the better deal we can win for all staff.

- Area reviews
- College mergers
- Restructures and curriculum closures
- Changing job roles
- Apprenticeship levy

In times of change there has never been a more important time for all staff in FE to join a union. For more information go to:
